

EU Declaration of Conformity

No. EX-GW-4200-DoC-2026-001 · issued under Regulation (EU) 2024/2847 (Cyber Resilience Act)

1. Product (object of the declaration)	Gateway firmware v2.4 EX-GW-4200 Industrial IoT Gateway, firmware version 2.4.1 (build 2.4.1-rc0)
2. Manufacturer	Example Industries GmbH Musterstrasse 12, 80331 Munich, Germany compliance@example-industries.example
3. Unique identification	Model EX-GW-4200 Industrial IoT Gateway; firmware 2.4.1 (build 2.4.1-rc0)

This declaration of conformity is issued under the sole responsibility of the manufacturer.

4. Object of the declaration

Firmware for an industrial IoT edge gateway that connects field devices (Modbus, OPC UA) to cloud services over MQTT and HTTPS. The firmware is a product with digital elements within the meaning of Regulation (EU) 2024/2847.

5. Conformity

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

- Regulation (EU) 2024/2847 (Cyber Resilience Act) — essential cybersecurity requirements, Annex I.

6. Harmonised standards and technical specifications applied

- EN 18031-1:2024** — Common security requirements for radio equipment and products with digital elements
- ETSI EN 303 645 V2.1.1** — Cyber security for consumer Internet of Things: baseline requirements
- IEC 62443-4-2:2019** — Technical security requirements for IACS components
- EN ISO/IEC 27001:2023** — Information security management systems

7. Conformity assessment

Product class	Default (Article 6) — no notified body required
Procedure	Module A — internal control (Annex VIII)
Technical documentation ref.	EX-GW-4200-TD-2026-001

Support period (security updates) until 11 December 2031

Example Industries GmbH · EU Declaration of Conformity · Sample document generated with Nordchecks — not a valid conformity record

8. Additional information

The Software Bill of Materials and the cybersecurity risk assessment are held in the technical documentation (EX-GW-4200-TD-2026-001) and available to market surveillance authorities on request. A public vulnerability-disclosure contact is maintained for the support period.

Signed for and on behalf of Example Industries GmbH:

Place of issue	Munich	
Date of issue	16 August 2026	Dr. Anke Vogel Head of Product Compliance

This is an illustrative sample populated with fictional data for demonstration. It is not a valid Declaration of Conformity and must not be submitted to any authority or customer.
